

HOLD HARMLESS AGREEMENT

The undersigned, _____ (“the parent”), being of legal age and sound mind and possessing the requisite authority and mental capacity to enter into this Agreement on behalf of his or her minor child, _____ (“the child”), agrees to the following:

1. The child is now, or has been at some time in the last four years, a member of a softball team affiliated with West Des Moines Girls Softball (“WDMGS”).
2. WDMGS has an indoor hitting facility (“the facility”) located in a building at 4405 – 121ST in Urbandale, Iowa. That building is leased by Courage League Sports (“CLS”) which operates a business out of the building. CLS and WDMGS have entered into an agreement allowing tournament softball teams run by WDMGS to use the facility during certain times and under certain conditions. Beyond allowing WDMGS to use the facility at the above-noted address during certain times and under certain conditions, there is no relationship or affiliation between CLS and WDMGS.
3. As a condition of being allowed to use the facility, the parent, on behalf of the child, waives any potential claim, demand or cause of action against CLS, or any person or entity affiliated with CLS, affecting or belonging to the parent or the child which relate to or arise out of the child’s use of the facility. The intent of the preceding sentence (and this document as a whole) is to make it legally impossible for the parent, on behalf of the child, to seek any recovery from CLS, or any person or entity affiliated with CLS, for anything that occurs at the facility.
4. This document is being executed voluntarily by the parent solely in reliance on their own knowledge, belief and judgment and not upon any representations made by anyone to them.
5. By his or her signature on this Agreement, the parent is acknowledging that he or she has read this document and has agreed to and understood the terms of the same.
